TO: Honorable Council President Jennifer Campbell
Honorable Councilmembers

FROM: Mayor Todd Gloria 

SUBJECT: Appointment and Reappointments to the Commission on Prevention & Intervention

It is my pleasure to appoint Armand King to a term ending July 1, 2022 filling the community-based organization seat. I am also happy to reappoint Elizabeth Bustos and DeAndre Brooks each to terms ending July 1, 2022.

Armand King has over two decades of first-hand, lived experience dealing with gangs and the domestic human sex trafficking lifestyle. As co-founder of non-profit Paving Great Futures, Armand uses his knowledge to help transform lives for the better and build healthier communities.

Elizabeth Bustos is a public health policy and community engagement executive and currently serves as Health and Human Services Agency's (HHSA) Community Development Liaison. Elizabeth works primarily with community leaders and stakeholders to advance Live Well San Diego, the County's vision for healthy, safe and thriving communities.

DeAndre Brooks is a native of Southeastern San Diego where he was most recently a mentor at METRO, working with young at-risk youth from his community. He currently is a leader in the "Reclaiming the Community" movement and continues to be an integral part of "Pillars of the Community."

I am confident that these individuals will bring their valuable experiences and perspective to the Commission on Gang Prevention & Intervention, and I thank them for their willingness to serve in this capacity.
